A diagram of a circular cross-section of a lens. It features three small circles arranged horizontally within the larger circle. Labels with leader lines point to various parts: '311w' points to the top-left outer edge; '311' points to the top-right outer edge; '311h' points to the leftmost inner circle; '311s' points to the middle inner circle; and another '311h' points to the rightmost inner circle.

A diagram of a circular structure, possibly a cross-section of a ring or a hole. It consists of two concentric circles. The outer circle is labeled with the number 312. The inner circle is labeled with the number 312p.

A diagram showing a circular cross-section of a pipe. The inner circle is labeled $\frac{3}{2}$ and the outer circle is labeled $\frac{3}{2}s$.
